

Ying He

何英

CURRICULUM VITAE

April 2026

Department of Marketing and Operations Management
School of Business
Southern University of Science and Technology,
Shenzhen, Guangdong,
P. R. China

Email: ying.he@utexas.edu
Website: <https://riverodense.github.io/ying-he/>
ORCID: 0000-0002-5587-1079
Gender: Male
Date of Birth: March 31, 1982

Employment

Southern University of Science and Technology

Associate Professor (with tenure) of Marketing and Operations Management *April 2025 – present*

University of Southern Denmark

Associate Professor of Management Science (with tenure) *June 2019 – April 2025*

University of Southern Denmark

Assistant Professor of Management Science *Aug. 2014 – May 2019*

City University of Hong Kong

Visiting Assistant Professor of Management Science *Nov. 2013 – Aug. 2014*

The University of Texas at Austin

Teaching Assistant *Sep. 2008 – Oct. 2013*

Education

McCombs School of Business, The University of Texas at Austin, Texas, USA

Ph.D./M.S. (Dec. 2013 / Dec. 2010) in Information, Risk, and Operations Management

- Dissertation Title: “Decomposition of multiple attribute preference models” *Sep. 2008 – Dec. 2013*
- Advisor: Prof. James S Dyer

School of Management, Xi'an Jiaotong University, China

Ph.D. candidate in Management Sciences *Sep. 2004 – Jun. 2008*

School of Economics and Finance, Xi'an Jiaotong University, China

B.A. in Economics (2004) *Sep. 2000 – Jun. 2004*

Research Interests

- Revenue Management; Digital Supply Chain; Data Driven Decision/Operational Analytics
- Decision Analysis and Decision Theory; Decision Making under Risk/Ambiguity; Real Option Analysis

Publications

Works in Progress

1. Bansal, S. and **He, Y.** (2023). Optimal Sampling for Data-Driven Optimization: Analysis and Application to Agribusiness. R&R at *Operations Research*.
 - Winner of Practice Award jointly sponsored by the DAS of INFORMS and Society of Decision Professionals
2. **He, Y.**, Wang, T., Dyer, J. (2023). Valuing Risky Project in Incomplete Market with Two Sources of Uncertainty. Working paper.
3. **He, Y.** and Hölzermann, J. Portfolio Selection and Asset Pricing with Ambiguity: A Two-Stage Evaluation Approach. Available at SSRN: https://papers.ssrn.com/sol3/papers.cfm?abstract_id=5002924
4. **He, Y.** and Rui, H. (2025). Digital Content Procurement for Subscription Service. Working paper.
5. Baucells, M., **He, Y.**, Zhao, L. Optimal Effort Provision under Work Stress. In preparation.

Teaching Experiences

The University of Texas at Austin

Business Statistics (Bachelor) Fall 2012

City University of Hong Kong

Life Insurance (Bachelor) Spring 2014

University of Southern Denmark

Operations Research (10 ECTS), Math-Econ Bachelor Fall 2014 – Fall 2020

Statistics for Production Development Innovation (10 ECTS), Engineering Master Spring 2015

Decision Analysis (5 ECTS), Business Master Spring 2015

Strategic Issues in Supply Chain Management (10 ECTS), Business Master Spring 2015 – Spring 2021
(Course Director)

Supply Chain Inventory and Production Planning (10 ECTS), Business Master Fall 2016 – Fall 2020
(Course Director)

Operations and Supply Chain Management (10 ECTS), Business Bachelor (Course Director) Since Fall 2017

Business Analytics: Data Driven Decision Making (10 ECTS), Business Master	<i>Since Spring 2023</i>
Business Information System (5 ECTS), Bachelor	<i>Since Spring 2023</i>
Business IT Tools (5 ECTS), Bachelor	<i>Since Spring 2023</i>
<i>Note: ECTS (European Credit Transfer and Accumulation System).</i>	

Southern University of Science and Technology

Data Mining and Data Analysis (Bachelor)	<i>Fall 2025</i>
Decision Analysis and Operations Management (MBA)	<i>Spring 2026</i>

Academic Services

- Associate Editor of INFORMS' Decision Analysis journal since 2026 Jan.
- Member of Scientific Committee for Risk, Uncertainty, & Decision (RUD) conference held at University of Manchester, UK (2025).
- DAS publication award committee member (2024).
- Organizing committee member and scientific committee member of Advances in Decision Analysis (ADA) conference 2022, Darden Business School, University of Virginia, June 22–24, 2022.
- Elected council member of Decision Analysis Society (DAS) of INFORMS (2021–2023).
- Member of editorial board for *Decision Analysis* journal.
- Ad hoc referee for Operations Research (8), Management Science (7), Decision Analysis (10), European Journal of Operational Research (5), Production and Operations Management (2), Theory and Decision (2), IIE Transactions (2), Operations Letters (1), Journal of Mathematical Economics (1), Economic Theory (1), Annals of Operations Research (1), Information Systems Research (4). (Number indicates papers reviewed since 2014.)
- Seminar Coordinator for Management Sciences seminar series at University of Southern Denmark (2014–2020).
- Session chair of “Behavioral Economics and Decision Analysis” session at INFORMS annual meeting (2013).
- Session chair of “Development of Utility Theory” session at ADA (Advanced Decision Analysis) conference (2017), Austin, TX.
- Session chair of “Development of Utility Theory” session at INFORMS annual meeting (2017), Houston, TX.
- Session chair of “Development of Utility Theory” session at INFORMS annual meeting (2018), Phoenix, AZ.
- Session chair of “Theoretical Issues in Decision Analysis” session at INFORMS annual meeting (2019), Seattle, WA.
- Session chair of “Theoretical Issues in Decision Analysis” session at INFORMS virtual annual meeting (2020).

Grant

- Grant for International Research Stay from The Danish Council for Independent Research.

- Project Title: “Selling Probabilistic Goods in Vertical Market”, visiting Prof. Huaxia Rui at Simon Business School, University of Rochester, NY, USA.
- Period: July 1st, 2018 to Oct 4th, 2018.
- Awarded Amount: DKK 140,400.

Awards

- Awarded “Senior Member of INFORMS” in 2025.
- Winner of Practice Award jointly sponsored by the DAS of INFORMS and Society of Decision Professionals, for the paper titled “An Ambiguity Framework to Inform Optimal Data Allocation for Data-Driven Optimization: Analysis and Application to Agribusiness” (2024).
 - <https://connect.informs.org/das/awards/decision-analysis-practice-award>
 - <https://www.decisionprofessionals.com/advance-career/awards/practice-award>
- Winner of Decision Analysis Society Publication Award for paper titled “Revisit Ellsberg and Machina’s Paradoxes: A Two-Stage Evaluation Model under Ambiguity” published in *Management Science* (2023).
<https://connect.informs.org/das/awards/decision-analysis-publication-award>
- Finalist of Clemen-Kleinmuntz Decision Analysis Best Paper Award (Decision Analysis Society of INFORMS) (2022).
<https://pubsonline.informs.org/page/deca/decision-analysis-special-recognition-award>
- The Jaffray Lecture at “Risk, Uncertainty, and Decision” (RUD) meeting at Paris School of Economics (2019):
“Revisit Ellsberg and Machina’s Paradoxes: A Two-Stage Evaluation Model under Ambiguity”.
<https://sites.google.com/site/rudconference/history-of-rud/2019---paris-school-of-economics/jaffray-lecture>
- Finalist, Decision Analysis Journal Special Recognition Award (2013; listed as “Finalist, 2014”).
<https://pubsonline.informs.org/page/deca/decision-analysis-special-recognition-award>
- First place, 2011 INFORMS Decision Analysis Society Student Paper Competition (2011).
<https://www.informs.org/Recognizing-Excellence/Award-Recipients/Ying-He>
- Dean’s Fellowship, McCombs School of Business, The University of Texas at Austin (2008–2013).

Invited Talks at Universities

- *Aug 2023* “Customized Dynamic Pricing when Customers Develop a Habit or Satiation”, Management Science Seminar, City University of Hong Kong, Hong Kong, China
- *April 2023* “Customized Dynamic Pricing when Customers Develop a Habit or Satiation”, Coral Seminars, Aarhus BSS, University of Aarhus, Denmark
<https://econ.au.dk/news-and-events/event-item/artikel/coral-seminar-ying-he-university-of-southern-denmark>
- *April 2023* “Customized Dynamic Pricing when Customers Develop a Habit or Satiation”, Dana Clymen Seminars, Darden School of Business, University of Virginia, US
<https://www.darden.virginia.edu/faculty-research/seminars-conferences/dana-clyman>
- *April 2018* “Revisiting Ellsberg and Machina’s Paradoxes: A Two-Stage Evaluation Model under Ambiguity”, Seminar at Decision Science Department, Bocconi University, Italy
<https://didattica.unibocconi.eu/eventi/event.php?IdPag=5575&dip=55&id=5645&IdFld=41&See=>

Presentations at Conferences

- *July 2024* “Data-driven Method to Learn Multi-attribute Value Function with Reference Effect”, POMS International Meeting, Hefei, China
- *Oct 2023* “An Application of Smooth Ambiguity Model to Determine Value of Data”, INFORMS Annual Meeting, Phoenix, AZ, US
- *Oct 2022* “Data-driven Method to Learn Multi-attribute Value Function with Reference Effect”, INFORMS Annual Meeting, Indianapolis, US
- *July 2022* “Recursive Two-Stage Evaluation Model for Dynamic Decision Making under Ambiguity”, Foundation of Utility and Risk (FUR) conference, Ghent University, Belgium
- *Jun 2022* “Optimal Dynamic Pricing when Customers Develop a Habit or Satiation”, MSOM conference, Munich, Germany
- *Jun 2022* “Recursive Two-Stage Evaluation Model for Dynamic decision making under ambiguity”, Advances in Decision Analysis (ADA), Darden Business School, USA
- *Nov 2021* “Probabilistic Selling in Vertically Differentiated Markets”, Workshop on Information System and Economics (WISE), McCombs School of Business, The University of Texas at Austin, US
- *Oct 2020* “Recursive Two-Stage Evaluation Model for Dynamic Decision Making under Ambiguity”, INFORMS virtual annual meeting
- *Oct 2019* “Revisit Ellsberg and Machina’ s Paradoxes: A Two-Stage Evaluation Model under Ambiguity”, INFORMS, Seattle, WA, USA
- *Jun 2019* “Risk Sharing and Resource Allocation Equality in Group under Social Comparison Effects”, ADA at University of Bocconi, Milan, Italy
- *Jun 2019* “Revisit Ellsberg and Machina’ s Paradoxes: A Two-Stage Evaluation Model under Ambiguity”, Risk, Uncertainty, and Decision (RUD) meeting, Paris School of Economics, Paris, France
- *Jun 2018* “Revisit Ellsberg and Machina’ s Paradoxes: A Two-Stage Evaluation Model under Ambiguity”, Foundations of Utility and Risk (RUR) conference, York University, UK
- *May 2018* “Dynamic Pricing under Habit Formation and Satiation”, with Wen Chen and Saurabh Bansal, POMS annual meeting, Houston, TX, USA
- *Nov 2017* “An Additive Model of Decision Making under Ambiguity”, with James Dyer, John Butler, and Jianmin Jia, INFORMS annual meeting, Houston, TX, USA
- *Jun 2017* “Revisit Ellsberg and Machina’ s Paradoxes: A Two-Stage Evaluation Model under Ambiguity”, ADA (Advanced Decision Analysis) at The University of Texas at Austin, TX, USA
- *Jun 2016* “Dynamic Pricing under Habit Formation and Satiation”, with Wen Chen, INFORMS international conference, Hawaii, USA
- *Jun 2016* “An Additive Model of Decision Making under Ambiguity”, with James Dyer, John Butler, and Jianmin Jia, Foundations of Utility and Risk (RUR) Conference, Warwick University, UK
- *Nov 2014* “Separating Ambiguity from Risk: Value-Risk-Ambiguity Separation Model”, with James Dyer, John Butler, and Jianmin Jia, INFORMS annual meeting, San Francisco, CA, USA
- *Oct 2013* “Hope, Dread, Elation, and Disappointment in Decision Making”, with James Dyer and John Butler, INFORMS annual meeting, Minneapolis, MN, USA
- *Oct 2012* “On the Axiomatization of the Satiation and Habit Formation Utility Models”, with James Dyer and John Butler, INFORMS annual meeting, Phoenix, AZ, USA
- *Jul 2012* “On the Axiomatization of the Satiation and Habit Formation Utility Models”, with James Dyer and John Butler, Foundations of Utility and Risk (RUR) Conference, Atlanta, GA, USA

- *Nov 2011* “Utility Functions Representing Preference over Interdependent Attributes”, with James Dyer, invited to be presented at the DAS award session at INFORMS annual meeting, Charlotte, NC, USA
