YING HE

何英 Pronouns: he/him

Associate Professor (with tenure) • Southern University of Science and Technology

Shenzhen, China | hey8@sustech.edu.cn | riverodense.github.io/ying-he/

Department of Marketing and Operations Management | ORCID: 0000-0002-5587-1079

ACADEMIC APPOINTMENTS

April 2025 – present	**Southern University of Science and Technology**, Associate Professor (with tenure)
June 2019 – April 2025	**University of Southern Denmark**, Associate Professor of Management Science (with tenure)
Aug. 2014 – May 2019	**University of Southern Denmark**, Assistant Professor of Management Science
Nov. 2013 – Aug. 2014	**City University of Hong Kong**, Visiting Assistant Professor of Management Science
Sep. 2008 – Oct. 2013	**The University of Texas at Austin**, Teaching Assistant

EDUCATION

Sep. 2008 – Dec. 2013	**McCombs School of Business, The University of Texas at Austin** Ph.D./M.S. in Information, Risk, and Operations Management (Ph.D. 2013; M.S. 2010)
Sep. 2004 – Jun. 2008	**School of Management, Xi'an Jiaotong University** Ph.D. candidate in Management Sciences
Sep. 2000 – Jun. 2004	**School of Economics and Finance, Xi'an Jiaotong University** B.A. in Economics, 2004

ACADEMIC SERVICE

- **Associate Editor, Operations Research (2026–present)**
- **Associate Editor, Decision Analysis (2026–present)**
- Webmaster, INFORMS Decision Analysis Society
- Member, Scientific Committee, Risk, Uncertainty, & Decision (RUD) Conference, University of Manchester (2025)
- Member, Decision Analysis Society Publication Award Committee (2024)
- Organizing Committee and Scientific Committee Member, Advances in Decision Analysis Conference, University of Virginia Darden School of Business (2022)
- Elected Council Member, INFORMS Decision Analysis Society (2021-2023)
- Seminar Coordinator, Management Sciences Seminar Series, University of Southern Denmark (2014-2020)

HONORS AND AWARDS

2025	Senior Member, INFORMS
2024	Winner, Decision Analysis Practice Award, INFORMS Decision Analysis Society and Society of Decision Professionals
2023	Winner, INFORMS Decision Analysis Society Publication Award
2021	Finalist, Clemen-Kleinmuntz Decision Analysis Best Paper Award
2019	Jaffray Lecture, Risk, Uncertainty, and Decision Conference, Paris School of Economics
2014	Finalist, Decision Analysis Special Recognition Award
2011	First Place, INFORMS Decision Analysis Society Student Paper Competition
2008–2013	Dean's Fellowship, McCombs School of Business, The University of Texas at Austin

RESEARCH INTERESTS

- Decision Analysis and Decision Theory; utility and value theory; multiattribute decision making; intertemporal choice
- Decision Making under Risk and Ambiguity; recursive dynamic models; real option and project valuation
- Revenue Management; Pricing; Digital Supply Chain; Data-Driven Decision and Operational Analytics

PUBLICATIONS

1. 2025. Li, Y., **He, Y.**, and Dong, Y. "Preference-sorting structures extending scores and ordered categories: an axiomatic distance approach in group decision making." *Annals of Operations Research* 353, 1019-1051.
2. 2025. Liang, H., Dong, Y., and **He, Y.** "Interpretable preference learning and prediction: A data-driven method based on multiplicative multiattribute utility function with reference effects." *Information Fusion* 123, 103311.

3. 2024. **He, Y.** "Recursive two-stage evaluation model for dynamic decision making under ambiguity." *Journal of Mathematical Economics* 113, 103022.

15. 2013. **He, Y.**, Dyer, J. S., and Butler, J. C. "On the axiomatization of the satiation and habit formation utility models." *Operations Research* 61(6), 1399-1410.

16. 2008. **He, Y.** and Huang, R.-H. "Risk attributes theory: Decision making under risk." *European Journal of Operational Research* 186(1), 243-260.

SELECTED WORKING PAPERS

- **He, Y.**, Wang, T., and Dyer, J. S. "An Axiomatic Theory of Valuation Order for Risky Projects in Incomplete Markets." Working paper, 2025; revised 2026. SSRN 5415455.
- **He, Y.** and Hölzermann, J. "Portfolio Selection and Asset Pricing with Ambiguity: A Two-Stage Evaluation Approach." Working paper, revised January 2026. SSRN 5002924.

TEACHING EXPERIENCE

Southern University of Science and Technology	Operations Research in Daily Life (Fall 2026); Decision Analysis and Operations Management (MBA, Spring 2026); Data Mining and Data Analysis (Bachelor, Fall 2025)
University of Southern Denmark	Operations Research; Decision Analysis; Strategic Issues in Supply Chain Management; Supply Chain Inventory and Production Planning; Operations and Supply Chain Management; Business Analytics: Data Driven Decision Making; Business Information System; Business IT Tools; Statistics for Production Development Innovation
City University of Hong Kong	Life Insurance (Bachelor, Spring 2014)
The University of Texas at Austin	Business Statistics (Bachelor, Fall 2012)
