

YING HE

**Associate Professor (with tenure), Marketing and Operations Management
Southern University of Science and Technology (SUSTech), Shenzhen, China**

Email: hey8@sustech.edu.cn | ORCID: 0000-0002-5587-1079 | riverodense.github.io/ying-he/

ACADEMIC APPOINTMENTS

Southern University of Science and Technology Associate Professor (with tenure), Marketing and Operations Management	<i>April 2025-present</i>
University of Southern Denmark Associate Professor of Management Science (with tenure)	<i>June 2019-April 2025</i>
University of Southern Denmark Assistant Professor of Management Science	<i>Aug. 2014-May 2019</i>
City University of Hong Kong Visiting Assistant Professor of Management Science	<i>Nov. 2013-Aug. 2014</i>
The University of Texas at Austin Teaching Assistant	<i>Sep. 2008-Oct. 2013</i>

EDUCATION

McCombs School of Business, The University of Texas at Austin Ph.D./M.S. in Information, Risk, and Operations Management (Ph.D. 2013; M.S. 2010). Dissertation: "Decomposition of multiple attribute preference models." Advisor: Prof. James S. Dyer.	<i>Sep. 2008-Dec. 2013</i>
School of Management, Xi'an Jiaotong University Ph.D. candidate in Management Sciences	<i>Sep. 2004-Jun. 2008</i>
School of Economics and Finance, Xi'an Jiaotong University B.A. in Economics, 2004	<i>Sep. 2000-Jun. 2004</i>

RESEARCH INTERESTS

- Decision Analysis and Decision Theory; utility and value theory; multiattribute decision making; intertemporal choice
- Decision Making under Risk and Ambiguity; recursive dynamic models; real option and project valuation
- Revenue Management; Pricing; Digital Supply Chain; Data-Driven Decision and Operational Analytics

ACADEMIC SERVICE

- Associate Editor, Operations Research
- Associate Editor, Decision Analysis (2026-present)
- Senior Member, INFORMS (2025)
- Webmaster, INFORMS Decision Analysis Society
- Member, Scientific Committee, Risk, Uncertainty, & Decision (RUD) Conference, University of Manchester (2025)
- Member, Decision Analysis Society Publication Award Committee (2024)
- Organizing Committee and Scientific Committee Member, Advances in Decision Analysis Conference, University of Virginia Darden School of Business (2022)
- Elected Council Member, INFORMS Decision Analysis Society (2021-2023)
- Seminar Coordinator, Management Sciences Seminar Series, University of Southern Denmark (2014-2020)

HONORS AND AWARDS

- Winner, Decision Analysis Practice Award, INFORMS Decision Analysis Society and Society of Decision Professionals (2024)
- Winner, INFORMS Decision Analysis Society Publication Award (2023)
- Finalist, Clemen-Kleinmuntz Decision Analysis Best Paper Award (2021)
- Jaffray Lecture, Risk, Uncertainty, and Decision Conference, Paris School of Economics (2019)
- Finalist, Decision Analysis Special Recognition Award (2014)
- First Place, INFORMS Decision Analysis Society Student Paper Competition (2011)
- Dean's Fellowship, McCombs School of Business, The University of Texas at Austin (2008-2013)

SELECTED WORKING PAPER

- He, Y., Wang, T., and Dyer, J. S. An Axiomatic Theory of Valuation Order for Risky Projects in Incomplete Markets. Working paper, 2025; revised 2026. SSRN 5415455.

TEACHING EXPERIENCE

Southern University of Science and Technology

Decision Analysis and Operations Management (MBA, Spring 2026); Data Mining and Data Analysis (Bachelor, Fall 2025)

University of Southern Denmark

Operations Research; Decision Analysis; Strategic Issues in Supply Chain Management; Supply Chain Inventory and Production Planning; Operations and Supply Chain Management; Business Analytics: Data Driven Decision Making; Business Information System; Business IT Tools; Statistics for Production Development Innovation

City University of Hong Kong

Life Insurance (Bachelor, Spring 2014)

The University of Texas at Austin

Business Statistics (Bachelor, Fall 2012)
